NEW MM2 VALUE LIST UPDATE!

QUICK SEARCH

VALUES

Since 2017, when we got together and started MM2 Values, you guys have shown us so much love and support. And we are continuously growing every day! In the 2018 Xmas Event, Nikkis showed some love, using our values for the gaily shard count. Our team has grown as well, even adding a "Community Value Team". Their job is to get the community input, frequent trading servers to see what things are going for, etc. We can not thank you all enough for all your support! Make sure to check out our team's groups, linked below!
